EXPERIENCE

Web Services Coordinator

Dec 2025 – Present

Indiana University Bloomington

Bloomington, IN

- Maintained reliable student-facing web pages by deploying production content through a university **CMS**, validating formatting, and testing cross-browser compatibility across site updates
- Coordinated content migrations, QA testing cycles, and website launch workflows by tracking tasks in **Asana** and managing workflow, data, and reporting in **Slate CRM**

Undergraduate Instructor

Aug. 2025 – Dec. 2025

Luddy School of Informatics, Computing, and Engineering

Bloomington, IN

- Mentored **100+** students in introductory programming labs & lectures by teaching **Python, HTML/CSS, and core CS concepts** to both technical and non-technical students
- Improved student debugging skills by providing structured code reviews and **1-on-1 support**, helping identify and resolve syntax, logic, and runtime errors across programming assignments

PROJECTS

Web Development Projects | *Next.js, TypeScript, Tailwind CSS, Sanity CMS, Vercel*

2025 – Present

- **NPHC Council Website:** Built a National Pan-Hellenic Council website with **Next.js 15, TypeScript, and Sanity CMS**, prioritizing security and maintainability for a clean handoff to future council officers
- **Small Business Website:** Designed and deployed a responsive site for a small business, delivering a mobile-friendly interface and streamlined content management for non-technical owners

AI Resume Tailor | *Python, Gemini API*

2026

- Built an AI-powered tool that analyzes job descriptions against a base resume using the **Gemini API**, generating tailored bullet points and keyword suggestions to strengthen ATS alignment
- Automated resume customization to cut manual editing time and produce role-specific drafts in seconds

Homelab & Self-Hosting Server | *Proxmox VE, Linux, Networking*

2026

- Built and administer a home server on **Proxmox VE**, provisioning virtual machines and expanding storage with an added HDD and BIOS/firmware updates
- Documented the build process end-to-end, developing hands-on skills in **Linux administration, networking, and self-hosted infrastructure**

LEADERSHIP

Treasurer & Lead Project Developer

Aug. 2024 – May 2026

Society of Hispanic Professional Engineers (SHPE)

Bloomington, IN

- Managed a **\$7,000** chapter budget by tracking expenses, processing reimbursements, and maintaining financial records to support events, meetings, and professional development initiatives
- Led development and maintenance of the SHPE chapter website by coordinating feature updates, reviewing site content, and supporting deployment cycles to improve member access to chapter resources

Vice Basileus & Keeper of Finance

Apr. 2025 – Present

Omega Psi Phi Fraternity Inc.

Bloomington, IN

- Managed chapter financial planning by tracking dues, expenses, reimbursements, and event costs, while overseeing operations for a **15+ member** organization by coordinating executive board priorities and meeting agendas
